### Terms and Conditions

- All fees are to be paid by the dates given above, either by cheque or BACS, as detailed on the invoice.
- Students who have not paid the first instalment by the deadline will not be able to start their programme. Failure to pay the second instalment on time will likely result in removal from the programme.
- If a student transfers to a different (cheaper) programme, they will still be required to pay the annual fees for the original programme they were accepted on to.
- All fees include the cost of registration with the appropriate University (where applicable), library access and catering. There is a supplementary £275.00 charge per annum for those studying on Thursday evenings in Chelmsford to cover additional catering.
- Fees for Church of England sponsored ordinands are paid by Ministry Division, not the ordinand.
- Fees for Licensed Lay Ministry (LLM) students are arranged with the relevant Diocese (either Chelmsford or London), and do not follow the above.
- Students attending Teaching Weeks – which take place in our London centre – should be aware of additional costs which they will be expected to cover. These include, where necessary, accommodation, travel and food expenses.

### Bursaries and Scholarships

- Unless otherwise stated above, we are unfortunately unable to offer any bursaries or scholarships.

### Student Finance

- For students to be eligible for SLC funding, they must be studying a designated programme. Programmes at this college are designated each year by the Department for Education. We have made an application for all undergraduate programmes listed above to also be designated for the 2018-19 academic year. We expect this process to be completed in early 2018. Visit <http://www.hefce.ac.uk/reg/desig/cdforstudents/> for more information.
- Those wishing to access student finance should indicate this clearly on the reply slip when accepting their place. We will then expect payment from Student Finance England, and you will not be invoiced.
- If a Student Finance application is unsuccessful, the student is responsible for the programme fees.
- Further details about applying for all forms of student finance can be found in our 'Quick Guide to Student Finance', available at [www.stmellitus.ac.uk/fees-information](http://www.stmellitus.ac.uk/fees-information)
